

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON AT SEATTLE

MARK A. ZANDBERG,

Plaintiff,

vs.

EDMONDS SCHOOL DISTRICT NO. 15;
BRIAN HARDING; and MARLA MILLER,

Defendants.

Case No. C08-0570-JCC

SECOND STIPULATION FOR
EXTENSION OF MEDIATION
DEADLINE

**Note on Motion Calendar:
March 27, 2009**

COME NOW the parties hereto and respectfully ask this Court to enter the following stipulated Order extending the mediation deadline in this matter until May 8, 2009. The current mediation deadline is April 17, 2009. The parties have engaged in informal settlement discussions and remain committed to a formal mediation process. However, Defendants' motion for summary judgment is currently pending before the Court, and the parties believe that mediation will not be productive until a ruling on that motion has been issued. It does not appear that this extension will negatively affect any remaining pre-trial deadlines in this matter. Accordingly, the parties respectfully request an extension of the mediation deadline in this matter.
